

Applicant: Sung-Hyuk Shin
Application No.: 10/075,324

REMARKS

In a teleconference September 27, 2004, the Examiner and the undersigned discussed the rejection of the Declaration. In the teleconference, it was submitted that the Declaration filed with the present application was proper as it was a copy of the original Declaration from the parent application, which is compliant with 37 C.F.R. § 1.62. The Examiner agreed that the Declaration therefore not defective.

Regarding the objection to claims 1, 8, 11, for minor editorial changes, amendments to those claims are attached incorporating the changes suggested by the Examiner.

Regarding the double patenting rejection to claims 1-11, a Terminal Disclaimer Pursuant to 37 C.F.R. § 1.321(c) is submitted herein.

For the above reasons, Applicant respectfully submits that the presently claimed invention is patentable. Reconsideration and allowance of the claims is respectfully requested.

Respectfully submitted,
Sung-Hyuk Shin
